MOTION FOR ENLARGEMENT OF TIME

NOW COMES PETITIONER, Chamond Henderson, and respectfully moves this honorable court to enlarge the time in which petitioner may respond and reply to the government's response and opposition to 2255 petition.

Petitioner is currently doing time at Ft. Dix-FCI. There is extremely limited access to the law library and the typewriters. That coupled with the flood of people trying to put in new claims in light of Blakely/Booker. There just isn't enough time space and typewriters (11 to be exact) to accommodate the rush on the compound.

In addition the government has drafted a 30+ page opposition to petitioner's 2255. The petitioner is unlettered in the law; see .

Haines v. Kerner 30 L Ed 2d 652,
The United States Supreme Court hold allegations
of pro se complaint to less stringent standards
than formal pleadings drafted by lawyers.

WHEREFORE, this petitioner prays that this
Court enlarge time 30 days to enable him to
submit a Reply to the government's opposition.

Respectfully submitted
